Campbells Bay wins men's Chelsea Cup for the fourth year

Justin Megraw, Christian Romanzini, Mark Nielson, Adam Thompson, Victor Romero.

2014 has seen Campbells Bay Tennis Club continue its strong run in the North Shore's premier tennis competition, the Wilson Chelsea Cup.

Our Premium Real Estate Campbells Bay Men's 1 team expertly managed by Club Captain Craig Burrows and led by Club Pro Adam Thompson has won the men's Chelsea Cup competition for the fourth year running. The team included ex professionals GD Jones, Mark Nielson, Victor Romero and Justin Megraw along with ex college player Christian Romanzini and up and coming junior Reid Burrows.

Our Premium Real Estate Campbells Bay Women's team were runners up this year after winning in 2013. This year's result was a very credible performance for a young team. The team was comprised of former tour pro Sacha Jones, Kelly Drew, Sade Atkinson, Monica Neveklavska, Laura Isbey and Diana Deyeva.

As a club we see Chelsea Cup as a great opportunity for our members to view high quality tennis in an intimate club setting with a great atmosphere. Games hosted at the club see a good turnout of senior and junior supporters and we encourage all tennis fans to come and join us for the 2015 competition. We also see Chelsea Cup as an excellent development pathway for our up and coming players. This year we entered a second men's team to further the development of a number of promising young players. They acquitted themselves well and one or two may have staked a claim for the top team for 2015.

As a club we would like to thank and congratulate the players for their superb efforts along with the management team and sponsors who made it all possible including our gold sponsor Premium Real Estate as well as Configure Gyms, Global Security, Abel Plumbing and Roofing, Supercity Towing and Judd and Charles Panel Beaters.

With six all weather floodlit courts and a well-equipped clubhouse set in the picturesque Centennial Park, Campbells Bay Tennis Club is a vibrant and friendly club with one of the best settings in Auckland. We cater for all players from juniors to seniors of all abilities from beginners to social players and competitive interclub players. We offer organised senior social play every Saturday and Sunday afternoon from 1pm and Wednesday evening from 7pm year round and have very active and social mid-week ladies playing on Wednesday mornings.

Juniors have access to junior coaching and competition from 4:00-6:30pm

during the week along with Saturday and Sunday mornings. In addition there are plenty of opportunities for juniors and seniors to join interclub squads, coaching squads such as "attackers and defenders", play in social tournaments throughout the year or organise their own matches.

“As a club we see Chelsea Cup as a great opportunity for our members to view high quality tennis in an intimate club setting with a great atmosphere.”

With our father and son coaching team of Graeme and Adam Thompson we are extremely lucky to have coaches who are not only well qualified and very experienced, they are passionate about developing club members' tennis skills, offering a wide range of senior and junior coaching programmes. Both are NZ Tennis registered coaches who have played representative tennis with Adam being a former ATP Professional, NZ Residential Champion and NZ Davis Cup Representative. They are both active members of the club, participating in club champs and social tennis and are always willing to share their considerable knowledge.
